

JAPAN LIBRARY

Outstanding books, now available in English

JAPAN LIBRARY is translating selected works that received high praise within Japan but have remained unknown to the world at large. Now available in English, these books introduce diverse aspects of Japan and Japanese thought, and the portfolio will continue to grow as more hidden treasures are discovered.

Most titles in JAPAN LIBRARY can be purchased in either hardcover or eBook form. In addition, all titles are available at close to 1,000 university and public libraries worldwide.

We sincerely hope you make JAPAN LIBRARY a part of your library.

HISTORY

Friendship across the Seas

The US Navy and the Japan Maritime Self-Defense Force

Agawa Naoyuki

This book describes the history of the relationship between the Japan Maritime Self-Defense Force, the heir to the Imperial Japanese Navy, and the US Navy. Despite their fierce fighting during the Pacific War, they came to respect each other in action. Working together as allies, numerous admirals, officers, and sailors from both navies have greatly contributed to the stability and prosperity of the Asia/Pacific region.

HISTORY

The Remarkable History of Japan-US Relations

Kosaka Masataka

The arrival of American “black ships” in Japan in 1853 was one cause of the fall of the shogunate and the restoration of imperial power little more than a decade later. That set Japan on the road to international expansion in imitation of Western imperial powers. This volume recounts this saga from the Russo-Japanese War and Japanese expansion in Manchuria to the brink of war with the United States.

SOCIAL SCIENCES

Pilgrimages in the Secular Age

From El Camino to Anime

Okamoto Ryosuke

In this informative book, the author discusses various pilgrimages in order to shed light on new types of religious views and faiths that have come into being in the twenty-first century. *Pilgrimages in the Secular Age* explores the Santiago pilgrimage in Spain; the eighty-eight temple pilgrimage in Shikoku, Japan; B-grade tourist spots; so-called “power spots”; sacred anime sites; and much more.

HISTORY

Toward the Meiji Revolution

The Search for “Civilization” in Nineteenth-Century Japan

Karube Tadashi

In the latter half of the Tokugawa period, Japan faced many possible alternate paths as it gradually advanced toward its encounter with “civilization.” This book attempts to share with the reader a bird’s-eye view of this process of encounter, exploring the legacy of Japan’s quest for “civilization” thus serves as a lens for examining our world today, while also suggesting an alternative narrative to the conventional success stories of Japan’s modernization.

HISTORY

Security Politics in Japan

Legislation for a New Security Environment

Hosoya Yuichi

How can peace be realized in the modern world? And how can Japan ensure its own security? Despite the intense debates over Japan’s recent security-related legislation, such vital issues as these were never explored. This work explores hotly debated security-related matters from a standard viewpoint on international politics and diplomatic history. It also advocates in a bold yet level-headed manner the form Japan’s security should take and the path Japan should follow to make that a reality.

CULTURE

Every Day a Good Day

Fifteen lessons I learned about happiness from Japanese tea culture

Morishita Noriko

Reporter and essayist Morishita Noriko reflects on twenty-five years of studying the Japanese Way of Tea, from her first uncertain steps to her gradual discovery of freedom within the very rules that once seemed to hold her back. Humor and heartbreak, despair and determination—Morishita vividly connects the Way of Tea to the full span of human experience, culminating in the exhilaration of realizing “I’m alive, right now!”

CULTURE

The Japanese Linguistic Landscape

Reflections on Quintessential Words

Nakanishi Susumu

Beautiful words have an ageless quality, regardless of when they first appeared in a language. This book introduces a balanced mix of new and old words that reflect the singular beauty of the Japanese language. Only by submerging ourselves in a language can we perceive its splendid subtleties, appreciate its true beauty. This book offers readers an opportunity to delve into those nuances of Japanese, explore the language’s history, and savor its unique beauty.

HISTORY

Understanding History in Asia

What Diplomatic Documents Reveal

Hattori Ryuji

It is said that the twentieth century was a century of war. War and colonization can leave deep divides between nations. In the case of Japan, this antagonism manifested as a result of historical issues. There have also been moments in postwar history where efforts were made to overcome the hostility surrounding these problems. This title examines the period from the International Military Tribunal for the Far East (the Tokyo Trial) to the normalization of relations between Japan and South Korea and between Japan and China.

HISTORY

What Is Japanese Cinema?

A History

Yomota Inuhiko

In *What Is Japanese Cinema?* Yomota Inuhiko provides a concise and lively history of Japanese film that shows how cinema tells the story of Japan’s modern age. Alongside a larger thematic discussion of what defines and characterizes Japanese film, Yomota provides insightful readings of canonical directors including Kurosawa, Ozu, Suzuki, and Miyazaki as well as genre movies, documentaries, indie film, and pornography. An incisive and opinionated history, this book is essential reading for admirers and students of Japan’s contributions to the world of film.

CULTURE

The Lure of Pokémon

Video Games and the Savage Mind

Nakazawa Shinichi

In *The Lure of Pokémon: Video Games and the Savage Mind*, Nakazawa Shinichi shows how the *Pokémon* series of video games, far from standing in opposition to nature, actually seeks to represent the true, hidden essence of the natural world. This book is both a work of game criticism revealing the “savage mind” within today’s video games and an examination of Japanese culture as the context from which the *Pokémon* phenomenon was born.

ART & DESIGN

The Art of Emptiness

Sakaida Kakiemon XIV

For several hundred years, Japanese porcelain has been highly acclaimed and sought after around the world. Sophisticated porcelain ware has long been produced in the Arita area of Kyushu and artisans from the Kakiemon family have gained particular renown for their skill in enamels and their artistic designs. Now, for the first time, the techniques and traditions behind the creation of their ceramic works are disclosed through the words of the late Kakiemon XIV.

POLITICAL SCIENCE

The Burden of the Past

Problems of Historical Perception in Japan-Korea Relations

Kimura Kan

The Burden of the Past reexamines the dispute over historical perception between Japan and South Korea, identifying the many independent variables that have affected the situation. Professor Kimura traces the rise and fall of popular, political, and international concerns underlying complex and highly-fraught issues. By seeing behind the public discourse and political rhetoric, this book offers a firmer footing for a discussion and the steps toward resolution.

POLITICAL SCIENCE

The Political History of Modern Japan

Foreign Relations and Domestic Politics

Kitaoka Shinichi

Spanning the 130-year period between the end of the Tokugawa Era and the end of the Cold War, this book introduces students to the formation, collapse, and rebirth of the modern Japanese state. It demonstrates how, faced with foreign threats, Japan developed a new governing structure to deal with these challenges and in turn gradually shaped its international environment. This will be an essential resource for students of Japanese modern history and politics.

ART & DESIGN

The Book of Urushi

Japanese Lacquerware from a Master

Matsuda Gonroku

Urushi, Japanese lacquerware, is perhaps the oldest and most sublime of all the Japanese arts and crafts. Its history goes back more than 7,000 years, and it is still vibrantly alive today. The present book, written more than fifty years ago by the Living National Treasure Matsuda Gonroku, has long been a must-read for collectors, researchers, and laypeople. It is the “bible” of *urushi*, covering every conceivable aspect of the subject.

Price: Hardcover ¥3,700 + tax
ISBN 978-4-86658-061-6

ART & DESIGN

The Music of Color

Shimura Fukumi

Living National Treasure Shimura Fukumi is well known in Japan for her essays on color, nature, and the work of weaving and dyeing. *The Music of Color* collects some of Shimura’s most insightful writing together with Takao Inoue’s stunning photographs of her art and the natural world that inspires it. Offering new perspectives on contemporary textiles, Japanese folk craft traditions, or how Japanese artists engage with the four seasons, the gemlike essays and translucent photographs of *The Music of Color* will linger with the reader long after the book itself is over.
